A unique kind of campus

IT Sligo is an institution that will help you get ahead in the world of work through our close contacts and research collaborations with leading companies and major employers.

Established in September 1970 as one of Ireland's leading third level institutions, IT Sligo is home to some 6,000 students enrolled across three schools of learning: Business & Social Sciences, Engineering & Design and Science.

Why choose IT Sligo?

- State-of-the-art campus located in "The Land of Heart's Desire" (W.B. Yeats)
- Diverse and vibrant international student mix
- Located in one of Ireland's dynamic urban centres, Sligo is a great place to live, work and learn
- Modern and affordable student accommodation adjacent to the campus
